

What Can An ITNS Membership Do For Me... as a Staff Nurse?

Provide High Quality Educational Opportunities

- Annual ITNS International Symposium
- Nursing workshops in conjunction with other transplant-focused conferences in North America and internationally
- Intensive, hands-on workshops with a specific focus such as health literacy or chronic illness issues
- Local and regional meetings at little to no cost
- Continuing education credits (CEPTCs and CEUs) provided for attendance at ITNS workshops and conferences
- ITNS Newsletter available three times per year free of charge
- Monthly electronic updates regarding ITNS news and upcoming events

Provide Opportunities for Personal and Professional Growth

- Review course for the Certified Clinical Transplant Nurse (CCTN) credentialing examination
- Local chapter participation
- Leadership opportunities available both locally and internationally
- “How To” tools and a Research Committee to help you with abstracts, posters, journal clubs, case studies, etc.
- Multiple Special Interest Groups (SIGs) involvement including Chapter Leaders SIG, Education SIG, Research SIG, Staff Nurse SIG, Cardiothoracic SIG
- Participation in the review process for abstracts submitted for the Annual ITNS Symposium
- Opportunity for nomination and election to a position on the ITNS Board of Directors

Provide Networking Opportunities with Other Transplant Professionals

- Access to an international membership of nearly 2000 transplant professionals
- Share best practice with other staff nurses
- Opportunity to stay abreast on issues facing other transplant centers
- Access to online ITNS Membership Directory
- Scheduled symposium and workshop networking opportunities
- Opportunity for communication among members of various SIGs and committees through listserv groups

Provide Patient Education Tools, Information and References

- Access to patient education brochures on important topics such as pregnancy after transplant, post-transplant diabetes, GI side effects, in multiple languages, including English, Spanish, French and some topics in German and Portuguese
- “A Guide to Your Healthcare after Transplant” handbook designed as an overview of care for heart, liver and kidney transplant patients. Downloadable from the website or in CD format
- Opportunities to participate in writing or reviewing patient education materials through the Education SIG

Membership Dues Payment in U.S. Funds Only

Active RN \$75/year \$200/three years (circle one)
(All RNs. All Active members are entitled to vote, hold office and serve on committees at the international level. Per the ITNS Bylaws, any RN must join as Active)

Associate \$50/year \$135/three years (circle one)
(Any non-RN health professional involved in transplantation. Associate members are not entitled to vote, hold office or serve on committees on an international level but may participate in these activities in local ITNS chapters.)

Emerging Countries Members \$25/year \$75/3 years
ITNS is pleased to announce a reduced membership fee to allow transplant professionals from countries with emerging economies the opportunity to join the society at a reduced rate of \$25. For ITNS to support, these members will have access to all benefits in electronic format only, thus it is required that we have an e-mail address for this membership category. Countries are defined as low income and or an IDA lending status by the World Bank as of July 2006, or as a European Emerging Country by Europe. A list of countries is available at <http://itns.org/membership/reduced-rate>.

ITNS occasionally provides or sells its membership list strictly for the dissemination of transplant-related educational announcements. If you would not like to receive this type of information, please place an 'X' in the box and your name will not be included when our list is distributed to other organizations and transplant-related companies.
