

TRANSPLANT NURSES

WEEK

APRIL 25 – MAY 2

Join the International Transplant Nurses Society (ITNS) as we recognize amazing transplant nurses everywhere from April 25 – May 2, 2022. ITNS created Transplant Nurses Week to raise awareness of the unique contributions transplant nurses make in the lives of the people with whom they work, especially their patients and families. As awareness of this important profession grows, ITNS is committed to creating more opportunities for nurses, healthcare professionals, organ donors and recipients, and their families to show their appreciation for the incredible care transplant nurses provide around the world
