

Welcome to Asian Transplantation Week 2025

On behalf of the Organizing Committee, we are honored and delighted to announce that Asian Transplantation Week 2025 (ATW 2025) will be held from November 20 (Thu) to 22 (Sat), 2025 at the Swiss Grand Hotel, Seoul, Korea.

Since its international expansion in 2016, ATW has continued to evolve as a leading platform for transplantation professionals across the Asia-Pacific region. Each year, the congress has seen remarkable growth both in scale and in the quality of its scientific content.

This year, under the theme "Together for Innovation: Breaking Boundaries in Asian Transplantation" ATW 2025 is set to offer a dynamic and forward-looking scientific program. It will bring together global experts to share emerging insights, debate pressing challenges, and foster meaningful dialogue across diverse areas of transplantation.

ATW 2025 aspires to create an inspiring space for collaboration, innovation, and learning. We aim to ensure that every participant, whether attending for the first time or returning, finds the experience both rewarding and memorable.

We invite you to be a part of this exciting journey in November. Your presence will undoubtedly enrich the congress, and we look forward to welcoming you to Seoul for ATW 2025.

Sincerely,

Jongwon Ha
Congress President
ATW 2025

Shin Hwang
Chair, Organizing Committee
ATW 2025
